MEDICINE

## STATEMENT OF NEED

Cardiovascular disease (CVD) remains the leading cause of death among women. Caring for the female patient with CVD requires a team-based approach which includes physicians, nurses and advanced practice providers. Using clinical based cases, attendees will learn the benefits of comprehensive and coordinated care by a team of cardiovascular providers. Additionally, we will discuss the disparities in care for women with CVD and strategies to close this gap through research and increased awareness.

The American College of Cardiology and American Heart Association recently published an update to the 2013 Cholesterol Management Guidelines, highlighting the need for a comprehensive risk assessment of patients by their providers. The conference will highlight changes to the previous cholesterol guidelines, the use of risk estimation tools in discussing treatment options, and review lifestyle and pharmacologic options for the primary and secondary prevention of CVD.

## OBJECTIVES

At the conclusion of this course, the participant should be able to:

- Discuss the pharmacologic and interventional management options of pulmonary embolism
- Review the 2019 AHA/ACC cholesterol management guideline and treatment recommendations for primary and secondary CVD prevention
- Identify disparities in care for women with CVD and strategies to close these gaps through research and increased awareness
- Discuss the association between migraine headache and cardiovascular risk
- Describe and recognize symptoms, contributing factors and consequences of burnout among female providers

## WHO SHOULD ATTEND

Cardiologists, primary care physicians, hospitalists, neurologists, psychiatrists, physician assistants, nurses and nurse practitioners and other health care providers interested in women's heart care.

## COURSE DIRECTORS

Ijeoma Isiadinso, MD, MPH, FACC, FASNC  
Gina P. Lundberg, MD, FACC

## FACULTY

**Sandra B. Dunbar, RN, PhD, FAAN**  
*Professor, Academic Advancement, Emory University School of Nursing*

**Ijeoma Isiadinso, MD, MPH, FACC, FASNC**  
**Course Co-Director, Moderator**  
*Associate Professor, Cardiology, Emory University School of Medicine*

**Wissam Jaber, MD**  
*Assistant Professor, Pulmonary Medicine, Emory University School of Medicine*

**Gina P. Lundberg, MD, FACC**  
**Course Co-Director, Moderator**  
*Associate Professor, Cardiology, Emory University School of Medicine*  
*Clinical Director, Emory Women's Heart Center*

**Fadi Nahab, MD**  
*Associate Professor, Neurology, Emory University School of Medicine*

**Laurence S. Sperling, MD**  
*Professor of Medicine, Cardiology, Emory University School of Medicine*

**Nanette K. Wenger, MD**  
*Professor Emeritus, Cardiology, Emory University School of Medicine*  
*Consultant, Emory Heart and Vascular Center*

## AGENDA

- 7 a.m. Registration and Breakfasts/Exhibits**
- 7:30 a.m. Welcome**  
Course Co-Director: Gina Lundberg, MD
- 7:35 a.m. Pulmonary Embolism: Pharmacologic and Interventional Management Options**  
Wissam Jaber, MD
- 8:20 a.m. A Review of the 2018 Updated Guidelines on Cholesterol Management**  
Laurence Sperling, MD
- 9:05 a.m. The Cardiovascular Team: Working Together to Improve CVD in Women**  
Sandra Dunbar, RN, PhD
- 9:50 a.m. Break/Exhibits**
- 10:20 a.m. Burnout among Female Providers: An Epidemic in Healthcare**  
Course Co-Director: Gina Lundberg, MD
- 11:05 a.m. Migraine and Risk of Cardiovascular Disease in Women**  
Fadi Nahab, MD
- 11:50 a.m. Lunch/Exhibits**
- 12:20 p.m. Women and Heart Disease: More Than 50 Years of Experience and Change**  
Nanette K. Wenger, MD
- 1:15 p.m. Adjourn/Closing Remarks**  
Course Co-Director: Ijeoma Isiadinso, MD

### CME Accreditation

The Emory University School of Medicine designates this live activity for a maximum of 4.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Emory University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Contact Hours for Nurses

Emory Nursing Professional Development Center (ENPDC) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Attendees to this CNE activity will be awarded up to 4.75 contact hours by ENPDC.

No conflict of interest has been found with the speakers for this CNE activity nor with the members of the planning committee.
