General Information

COURSE DESCRIPTION

The symposium will have expert review of the latest procedures, technology and medical treatments for GI cancer patients. National guidelines will be reviewed. Additionally, there will be case-based discussions incorporating multi-disciplinary care approaches, novel, recently FDA-approved drugs, and clinical trial eligibility.

Participants will be able to recognize the different treatment modalities available for their patients with GI cancers and formulate a tailored treatment plan.

TARGET AUDIENCE

This symposium is intended for physicians, nurse practitioners, physician assistants, pharmacists and oncology nurses. Trainees, at all levels, are highly encouraged to attend.

LEARNING OBJECTIVES

Upon completion of this education activity, learners should be able to:

- Recognize the multi-disciplinary approach (interventional radiology, surgery, radiation oncology, and medical oncology) to treating GI cancers;
- Identify and use the new oncologic drugs for GI cancers and know the ongoing clinical trials;
- Incorporate multi-disciplinary approach towards their patient care and offer an increased number of treatment options for the patients.

SYMPOSIUM LOCATION AND LODGING

The conference will be held in the Emory University Health Sciences Research Building Auditorium (1760 Haygood Drive NE, Atlanta, GA 30322). Limited complimentary parking available.

CONTINUING EDUCATION CREDIT

The Emory University School of Medicine designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 4.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCE for the purpose of granting ABIM MOC credit.

The Emory University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Emory Nursing Professional Development Center (ENPDC) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Continuing Nursing Education (CNE) contact hours are awarded by ENPDC. Up to 4.5 CNE contact hours and up to 0.83 pharmacotherapeutic contact hours are awarded commensurate with participation and completion of the evaluation. No conflict of interest has been identified for anyone with the ability to control content of this activity.

REGISTRATION

The registration fee includes course material, continental breakfast, break and lunch. Minimum and maximum enrollments have been established. A refund of your registration fee will be made if written cancellation is received no later than **August 30, 2019**. The liability of Emory University is limited to the registration fee.
