

## JOINT WEBINARS SICMF – EACMFS PROGRAM

15.01.2021 Joint **Webinar SICMF – EACMFS**

Facial Rejuvenation - State of the art

**Invited Speaker:** Jean Paul Meningaud

**Chairman:** Enrico Nastro Siniscalchi (Messina)

- 17:00 - 17:15 **Introduction:** Francesco Saverio De Ponte (Messina)
- 17:15 – 18:00 **Facial Rejuvenation - State of the art:** Jean Paul Meningaud (Paris)
- 18:00 - 18:30 **Q&A and Conclusions:** Francesco Saverio De Ponte – Enrico Nastro Siniscalchi

**Scientific Committee:** Francesco Saverio De Ponte, Luciano Catalfamo, Enrico Nastro Siniscalchi, Fausto Rispoli (Messina)

CV Jean Paul Meningaud

Jean-Paul Meningaud, MD, PhD is Professor and Head of the Department of Plastic and maxillofacial Surgery in Paris. A Fellow of the European Board of Oro-Maxillofacial Surgery, he has graduated in microsurgery and holds the HDR (postdoctoral degree authorizing the holder to direct the research of others). He received the James Barret Brown award in 2011. Past President of the EACMFS. He is in charge of diplomas in cosmetic medicine. He runs researches in regenerative medicine and aesthetic surgery.

11.02.2021 **Joint Webinar SICMF – EACMFS**

Evolution in Head and Neck Reconstruction

**Invited Speaker:** Nicholas Kalavrezos

**Chairman:** Luciano Catalfamo (Messina)

- 18:00 - 18:15 **Introduction:** Francesco Saverio De Ponte (Messina)
- 18:15 – 19:00 **Evolution in Head and Neck Reconstruction:** Nicholas Kalavrezos (London)
- 19:00 - 19:30 **Q&A and Conclusions:** Francesco Saverio De Ponte – Luciano Catalfamo

**Scientific Committee:** Francesco Saverio De Ponte, Luciano Catalfamo, Enrico Nastro Siniscalchi, Fausto Rispoli (Messina)

CV Nicholas Kalavrezos

Nicholas Kalavrezos is a Head and Neck Reconstructive Surgeon and the Clinical Lead in the Head and Neck Centre at University College London Hospital with a background in Oral and Maxillo-Facial Surgery.

He is also the Lead Head and Neck Sarcoma Surgeon for the London Sarcoma Service. His clinical practice includes ablative and reconstructive surgery for the head and neck with a special interest in bone sarcomas and functional outcomes following reconstructive surgery. His clinical practice also includes surgical treatment of salivary gland tumours as well as thyroid surgery.

Kalavrezos research interests include applications of “tissue engineering” in head & neck reconstruction. Kalavrezos is a founding member of the “Centre for Reconstructive Surgery” at University College London and holds a Senior Lecturer post at the same Institution. He is also a member of the “Face Transplant Group” based at Royal Free Hospital aiming to perform the first face transplant in the UK.

He has joint research projects in the Nanotechnology Lab of UCL on “tissue engineered bio-scaffolding” aiming to replace defects of the head and neck (ie nose / ears) with tissue-engineered based micro-vascular flap reconstruction.

Kalavrezos lectures regularly at national and international meetings and holds the position of the Secretary General on the Executive Board of the European Association for Cranio-Maxillofacial Surgery.

Kalavrezos is also the EACMFS Junior President Elect.

12.03.2021 **Joint Webinar SICMF – EACMFS**  
State of the Art of Mandibular Reconstruction  
**Invited Speaker:** Julio Acero Sanz

**Chairman:** Enrico Nastro Siniscalchi (Messina)

- 18:00 - 18:15 **Introduction:** Francesco Saverio De Ponte (Messina)
- 18:15 – 19:00 **State of the Art of Mandibular Reconstruction:** Julio Acero Sanz (Madrid)
- 19:00 - 19:30 **Q&A and Conclusions:** Francesco Saverio De Ponte – Luciano Catalfamo (Messina)

**Scientific Committee:** Francesco Saverio De Ponte, Luciano Catalfamo, Enrico Nastro Siniscalchi, Fausto Rispoli (Messina)

CV Julio Acero Sanz
